## Fly Your Creativity High in the Sky at the 2011 BioBlitz!

Saguaro National Park, in association with National Geographic Society, presents the opportunity to create and fly your group’s flag at the 2011 *BioBlitz*, to be held in Tucson October 21 and 22. With Biodiversity as the theme for the *BioBlitz*, we are putting a special focus on plant and animal species of the Sonoran Desert, as well as natural landscapes.

Saguaro National Park will provide a blank flag for your group. Use any art medium such as the use of paint, fabric, buttons, glue or sewing on items to personalize your flag. The possibilities are only limited by your imagination, so get creative and have some fun! The flag should feature a plant, animal or landscape native to Tucson or the Sonoran Desert, in English, Spanish, Tohono O’odham as well as the scientific names of plants and animals (*see example on reverse for details*).

To receive a flag, please tear off the bottom portion of this flyer and mail to:  
**Saguaro National Park, 3693 S. Old Spanish Trail, Tucson, AZ 85730, Attn: Jamie Trevillyan.**

Once you have completed your flag, simply drop it in the self-addressed, stamped envelope provided and mail it back to us!

Please contact Jamie with any questions: 520.733.5151 or [Jamie\\_Trevillyan@nps.gov](mailto:Jamie_Trevillyan@nps.gov)

-----Please return bottom portion-----

We are interested in creating a flag for the BioBlitz. Please send us our Flag!

## FLAG EXAMPLE

- Flag should feature a plant, animal or landscape native to Tucson or the Sonoran Desert.
- Use [www.webster-online-dictionary.org](http://www.webster-online-dictionary.org) to find the Spanish, Tohono O'odham and Scientific Names of your subject.
- Use any art medium you like on your flag, such as paint, string, fabric, buttons, etc. Just fasten items on well; Tucson is a windy city.
